

# Sprouts

## What is it?

A tool that enhances values-learning beyond class time and allows for co-ownership of values education among teachers, parents and students.

## What's in a Sprouts lesson?

School experience	Picture upload, Values tagging	Adult-child conversation	Reflection
 <p>Students experience a school event, level wide activity or a CCE/ FTGP lesson.</p>	 <p>Students upload a picture showing the value they have learnt from the experience, and tag the related value.</p>	 <p>Students chat with an adult at home about their picture and the tagged value using scaffolds and guides.</p>	 <p>Students reflect on their learning from the conversation with reflection prompts.</p>
